Please contact me if you have difficulty shopping or any other needs so that I can give assistance, there are many others in the village who are also very willing to help out with shopping or other needs, please use the contact details so that if you are self-isolating due to the Covid-19 virus you are not alone.

Bar Hill Cricket Club

We're only a month or so away from our first matches of the season and we're still looking for new players – you can see full details on the front cover of this edition of Bar Hill News.

Our preparations are going well and we will soon have our new community net facility up and running on the edge of the village green near the pre-school, available for use by anyone who wants to practise their skills.

The surface has been part-funded by the A14 (Cambs Community Fund) and the Parish Council, to whom we are very grateful.

We have a few more indoor net sessions left on Sunday evenings at Fenner's from 8-9pm, alongside Girton CC. If you would like any more information, or a lift, please contact me as below.

The first youth training session will be on either Wednesday April 22nd or 29th, depending on the weather – please keep an eye on www.barhillcricket.org.uk and our Facebook page for confirmation and all the latest news.

Finally, we would love to see as many people as possible at the Sports & Social Club on Saturday April 18th for our fundraising quiz night, from 7.30pm for a 7.45pm start.

For any information, you can contact me on the number below or via info@barhillcricket.org.uk

NOTICES & LETTERS TO THE EDITOR

Gillian Reynolds of Chestnut Rise & Family would like to thank everyone who attended Derek's funeral at Bar Hill Church and for the flowers and donations to Parkinsons.

Thank you to everyone for your words of support during our very sad loss.

Special thanks to Reverend Charles Maher and the Church organist for the lovely service and at the Crematorium and for Charles's diplomacy and help throughout our grieving.

Gillian Reynolds, Chestnut Rise

Dear Editor,

I would very much like to thank the person who helped me with my overloaded shopping trolley on Monday evening (9th March) and then stayed to help after I had a fall.

She had gone before I could thank her and I would like to ask her round so that I could say thank you!

Regards,

(Name and address withheld - please email the editor & I'll put you in touch).

Dear Editor,

The village Fete and Festival is now only 3 months away and stall bookings are now being taken. Please visit www.barhillvillagefete.co.uk to book - charity stalls are free and all other stalls only cost £15. Booking will close on Saturday 20th June.

We are still looking for volunteers, both on the day and to help with planning. Please contact sarah.whitfield8@googlemail.com

We are planning an amazing 'all American' day full of fun - the Fete will be opened at 1pm by Elvis with stalls and rides all afternoon. Music will start on the stage at 4pm with 6 local bands plus our headline act 'Q7 Funktion' playing through the evening.

We look forward to seeing you all there!

Bar Hill Fete & Festival Committee

Dear Editor,

You may have seen the posters on the Citi 5 buses informing you of further changes to the Citi 5 services. Stagecoach has released another new timetable which will start on Sunday, 15th March 2020. This is only three months after their previously released timetable. You can find the new timetable changes at this website address - https://tinyurl.com/snff89s I did ask Stagecoach if it would contact BHN directly or post the changes to the Bus stops, but they declined to comment. I must state that I personally think the timetable changes are being handled badly and I worry there will be a repeat of the confusions experienced in January. Finally trying to find the website link for the timetable changes was not straightforward and required me to email the company.

Reverend Anthony Mitchell, Pheasant Rise.

Dear Editor,

In light of current circumstances please use the Bar Hill Community Facebook page if you or somebody you know needs help.

We have many elderly and vulnerable people in the village, many of whom might not have Facebook so please look out for each other at this time.

We have a list of people who are happy to do shop runs, errands, prescription pick ups and the like so please do get in touch either via the page or by emailing sarah.whitfield8@googlemail.com

The Hanover retirement estates in Hanover Close and the Spinney have requested that people refrain from knocking on doors, etc in these areas as their residents are particularly vulnerable and even a well intentioned gesture may cause confusion for some. The estate managers will reach out through the Community page if they feel help is needed.

Above all else stay safe and take the necessary precautions when offering help.

As always, proud to be part of this caring community

WILLINGHAM & LONGSTANTON SURGERIES

We are delighted to welcome Dr Faye Stevens to the practice as a permanent member of our team.

Cervical Screening

Around 2,600 women are diagnosed with cervical cancer in England each year, and around 690 women die from the disease, which is 2 deaths every day. It is estimated that if everyone attended screening regularly, 83% of cervical cancer cases could be prevented.

New research from Public Health England shows that nearly all women eligible for screening (90%) would be likely to take a test that could help prevent cancer - and of those who have attended screening, 9 in 10 (94%) would encourage others who are worried to attend their cervical screening. Despite this, screening is at a 20-year low, with 1 in 4 eligible women (those aged 25 to 64) in the UK not attending their test.

If you have been invited or are overdue your cervical screening test, please contact the surgery and book a routine appointment with one of our nurses.

Bar Hill Colts Tornadoes U12s Whites 2020

The Whites have been holding their own this season. In the past we have been relegated from this league but battling and improving performances have seen us hold our own with an injured striker.

We started with a tough defeat before a 3-2 win v Littleport and a comeback draw. Recently, two disappointing defeats to teams we beat in a friendly and before Xmas have been harsh.

The players have been superb this season. All are growing in skill and confidence. Marco, Taylor and Toby have all scored plenty. Isaac, Abi and James are all proving solid defenders. Stella, Radi and Martin are putting in the tackles in midfield. Luke and Tim are making lots of saves and bring energy to the outfield. We also welcome new players Filip, Charlie, Emil and Alejandro who are getting game time that improves their knowledge and skills.

We offer childcare Monday to Friday 9am-3pm, term time, for children aged 2-5.

We offer sessions through the government funding, including funded twos and accept childcare vouchers.

Our ethos is to ensure high quality care by focussing on each child's ability and interests, providing fun and exciting activities for children to learn and develop skills through play, in an inviting environment.

Our key-person and buddy system ensures every child is well supported by qualified staff who have a wealth of experience.

We work in partnership with parents and our online learning journals support this by providing families with regular information on their child's development and next steps. Parents can upload evidence from home and add comments too.

This month we have focussed on our creative skills, including making our mums a special card and present. For world book day we looked at the book 'supertato' where vegetables become superheroes. We then linked our learning with a variety of activities involving vegetables and we have planted cress seeds and beans after reading the book 'Jack and the Beanstalk'.

We are now taking application forms for the September 2020 entry.

We look forward to meeting you and your child.If you are interested, please call us on **01954 782892** to arrange a visit or see our website; www.barhillpreschool.co.uk

Keeping Older and Vulnerable People Safe In Their Own Homes

The home is where people should expect to feel safe and secure - it is the one place where they have a right to feel safe! By visiting and securing the homes, the Bobby Scheme helps victims of burglary, theft and of domestic abuse and their children to remain in their home, to recover from the trauma and to begin the journey of moving forward, rebuild and take control of their lives.

Telephone **01480 413311** (Mobile **07866 602100**). If you have been a victim of crime (Cambridgeshire Constabulary should ask if you want to be referred) and the visit is free, otherwise there is a £50 suggested donation to help cover the costs of the visit.

See thebobbyscheme.org/ for more details.

Bar Hill Primary School

We are delighted to be introducing the 'Brian Burrage Attainment Award' to our school community. Brian was a larger than life part of the Bar Hill community, his sport was his love, apart from "my Jean". He was always a big supporter of the youth in the village and loved the Social Club and the card games every Sunday. Mrs Burrage has kindly made a donation to the school which has been used to purchase the trophy.

This award will be presented termly to the child or group of children who has shown an outstanding contribution to our community. Mrs Burrage has kindly been in to talk to the children in assembly about her husband and the impact he had on the Bar Hill Community.

Health & Social Care

Good news for all those residents who are registered with the Maple Surgery. The contract has finally been offered to and accepted by a replacement provider. I recently met with the CEO, Andrew Harrington and some of his team and was impressed by his expressed commitment to deliver the service that local people need. He said that to be able to deliver that service, the organisation will need to hear from local people and, among the ways that it will achieve this will be through active support for the local Patient Participation Group. A drop in event at the surgery soon after it takes the practice over on 01 April 2020 is also being planned.

I continue to meet regularly with the team that is working to deliver the new Regional Children's Hospital. The latest update included news about the relocation from the old Fulbourn Hospital site, targeted for completion by November 2023, when some new accommodation will have been provided on the Cambridge Biomedical Campus. Currently our diverse and extensive region is the only region in the UK without a purpose built children's hospital and this will be the first one that seeks to integrate rather than just co-locate physical and mental health services for the 1.5m children and young people it serves. A unique combination of ground-breaking research, mental and physical health expertise and collaboration with partners across local communities, GP practices and hospitals will provide better futures for our young people and in some cases prevent hospitalisation entirely. More information: https://www.cambridgechildrens.org.uk

The likely impacts of Coronavirus are now becoming clearer and by the time you read this it is likely that a requirement for social distancing will be affecting life for many in the community. The Government has latterly talked about community support but even prior to that, there was evidence on social media of a willingness by many local people to offer help to those who may need it. Those in isolation at home with symptoms or mild/moderate illness and many more in the highest risk groups needing to manage their risk by staying at home will be grateful for any support that others can offer. If you can help, please do but do also take steps to manage your own risk. Please continue to heed the advice to wash your hands with soap and hot water for 20 seconds and to use a tissue [or the crook of your elbow] to catch a cough or sneeze. Remarkably despite this advice having been given not just for this latest virus but for many years as a precaution against spreading colds and flu, there are people who are still not doing this. The best source of up to date advice about Coronavirus is: **https://www.nhs.uk/conditions/coronavirus-covid-19/**

Local development

Whilst the drop in event for the new proposals for Saxon Way has unfortunately had to be cancelled, the developer is still offering the opportunity for you to view the details on line. The materials that would have been used at the event are available at **www.saxonway.info** where you can also leave comments or questions. Those unable to access the website can call **0207 242 0170** or **email lee@polityuk.com**

Bar Hill Guiding

Rainbows is all about developing self-confidence, building friendships, learning new things and having fun. Girls get their hands dirty with arts and crafts, get in touch with nature and play games - it's all about learning by doing. Rainbows follow a diverse and engaging programme and can take part in lots of different activities.

Each unit operates their own waiting list for spaces and 2nd Bar Hill Rainbows currently has limited spaces available. Activities we have taken part in recently include learning camping and outdoor cooking skills; Girlguiding's national campaigns, most recently the 'Pass On Plastic' event which encouraged everyone to make a #PlasticPromise to reduce single uses of plastics; First Aid, what to do if there is an accident, when to call 999, how germs spread and the importance of keeping our hands clean by washing them regularly. Away from meetings we have had a fabulous sleepover at Shepreth Wildlife Park, getting up close to the animals including an exclusive night tour, campfire, remembrance, trip to visit Santa at Gulliver's Land, trip to watch Frozen 2 at the cinema, District Christmas event, County STEM day and ten pin bowling.

Cambridge Conservation Initiative

Celebrity speakers including Sir David Attenborough, Steve Backshall and Lily Cole as well as leading conservationists will come together on the 25 April at the Cambridge Conservation Initiative's flagship campus. Experts and youth leaders will celebrate environmental success stories from around the world. Alongside Cambridge, Washington, Sydney, Nairobi, Beijing and Rio are holding their own Earth Optimism events to spread the unanimous message: conservation works, and the time to act for nature is now.

In support of the day, Sir David Attenborough said, 'We all know that there are great problems [but] we don't hear enough of some of the successes. Successes which can give us the courage, information and the inspiration which we need to continue.'

The #EarthOptimism global movement invites everyone to celebrate conservation wins and take action for the planet. The day itself will showcase success stories from the restoration of Wicken Fen to the recovery of lions in southern Kenya, sharks in the waters around the Maldives, and the critically endangered Mauritius kestrel.

Earth Optimism will celebrate nature's resilience and people who help it flourish.

At the same time as the talks, the event will include a family-focused Solutions Fair, where participants can get practical and effective advice over the changes we can all undertake in our everyday lives to make a real difference for nature - from reducing our energy use to cooking lower-footprint food, appreciating nature and getting involved in local campaigns for transformation. We invite you to arrive hopeful, and leave empowered to be the change.

A list of speakers and stalls on our website. The entire event is free, but booking is required for the talks.

Spring Walks – April 2020

Come and experience the delight of a carpet of bluebells in an ancient woodland. You are welcome to share this enchanting scene by participating in a guided walk through Brampton Wood on Saturday 2nd May.

George Cottam, who is Warden of Brampton Wood, will lead us through this woodland where a rich variety of flora can be seen. He will focus on the bluebells, but we also hope to see other woodland flora, butterflies and we will listen to the singing of local birds.

Please note that the woodland paths are very uneven and likely to be muddy. Meet at 2.30 pm in the Shelter which is adjacent to the car park in Grafham Road, Brampton, GR TL 184698. Everyone is most welcome to attend. There is no charge, but donations are welcome. For more information please contact Alistair (alistairrgrant@hotmail.com).

On Wednesday 4th March 32 adults, a mixture of staff and parents of Bar Hill Primary School, attended a level 2 induction on Children's Mental Health. Mental health problems affect around 1 in 10 children and young people. Emotional wellbeing is just as important to us as a child's mental health, therefore it is important for us and young people to have a good understanding of the concepts, risk factors and impact of mental health. The course is a 6 week course that will give all adults a real insight into understanding and supporting children's mental health and is also ofsted recognised.

On Friday 6th March, the well-known author Julia Jarman came to visit all year groups at our school. Julia has written over 100 books and shared some of her books with the children. Julia read a number of her books to the children and gave them an insight into what they are about. She also talked about the writing process and shared her love of reading and writing. The children were also able to ask Julia questions about her books and career. Reception children loved the story of 'The Big Red Bath' where Julia brought out a story sack with props too!

BAR HILL COMMUNITY FOCUS - ARTHUR RANK HOSPICE

Do you knit or crochet?

Did you know that Arthur Rank Hospice Charity is able to use knitted and crocheted items to help with seasonal fundraising activities throughout the year? For example, in December hundreds of tiny knitted Christmas stockings were donated and filled with chocolates, enabling funds to be raised whilst spreading joy.

This Spring, the Charity is appealing for those who are a whizz with a needle, to help create Easter Chicks! These little chicks are small but mighty and help raise vital funds for the Hospice.

Could you (or someone you know) help contribute? Chick knitting patterns can be downloaded from Arthur Rank Hospice Charity's website at arhc.org.uk – type 'Easter chick' into the search function at the top right-hand side of the homepage and click into the news story that pops up.

If you do not have a printer available to print the pattern yourself, please contact Alison Pinney in the Charity's fundraising team on 01223 675888 or email fundraising@arhc.org.uk. Alternatively, copies of the pattern can be picked up at the Hospice Receptions.

If you're not a yarner, you can still get involved by donating egg-shaped chocolate treats such as Creme or caramel eggs, which can be inserted into the chicks for sale.

Your knitted chicks, and chocolate donations can be dropped off between 9am – 5pm Monday to Friday at the Reception desks of Arthur Rank Hospice Charity at Shelford Bottom (Cambridge) or at the Alan Hudson Day Treatment Centre (North Cambs Hospital, Wisbech) or at any of the Hospice's Charity Shops (Burleigh Street, Mill Road and Regent Street in Cambridge, High Street in Cottenham and Woollards Lane in Great Shelford).

Happy yarning!

Talking about death

Arthur Rank Hospice Charity welcomed Dr Katherine Sleeman from Kings College London, to a thought-provoking event hosted in their Education and Conference Centre recently. At the event, 'Let's Talk About Death – but why?', she shared some of her latest research. Guests learnt about the current outlook for palliative care, before listening, and contributing, to a lively discussion with a panel of experts.

Katherine described how the demographics of dying are changing as a society, we are living longer but dying slower and with greater complexity. She explained that how we care for people as they approach death is one of the biggest challenges we face.

The research she shared touched on how most people with a terminal illness would prefer to die in their own home. The numbers of people fulfilling this wish have risen over the past decade, but at the moment, sadly around 50% of people still die in hospital. Arthur Rank Hospice Charity's 'Help Us Be There' campaign was launched to help fund more of this specialist care to patients in their own homes (find out more at arhc.org.uk/helpusbethere.asp).

'Let's Talk About Death' was the latest in a series of events designed to open up conversation about this taboo topic. It follows on from the Hospice's involvement in 'Dying Matters' which is a national awareness campaign aiming to inform, provoke conversation, and enable people to carry on the conversation.

The next event of this kind will be on the 2 May 2020 as part of 'Dying Matters Awareness Week'. To find out more, please visit: eventbrite.com/e/dying-matters-tickets-96910926189 or to join the Hospice's mailing list for forthcoming talks contact Carla Crook Head of Engagement by emailing carla.crook@arhc.org.uk or call 01223 675894.

Is there a voluntary organisation here in Bar Hill that you'd like to see featured for next month? If so please contact the editor via email **bhneditor@yahoo.com** or on **07814 871752**.

Let's Stamp out Leprosy

Many thanks indeed to everyone who rescued used stamps from their Christmas post and donated them towards tackling Leprosy. It's amazing that something we so often throw away can raise funds to help tackle this devastating, yet needless, disease.

Donations can still be given all year via the church letter box or church vestibule;

- Trimmed stamps (leave about 2mm border without cutting the perforation)
- Whole album collections
- Postcards (GB and foreign, posted or new)
- Old or Foreign coins and notes
- Medals

All these can help -

- Early detection and simple drug cure
- Rehabilitation of 4 million leprosy-affected people worldwide
- Prevent needless disabilities and blindness
- Allow people the dignity of providing for their families rather than being dependent on them.
- Tackle stigma which isolates sufferers.

Thank you for your support. **Pam Vendy**

All you have to do is visit registermyappliance.org.uk, and register large appliances bought in the last 12 years.

Become an on-call firefighter

CFRS is looking for men and women from all backgrounds to become on-call firefighters and provide emergency cover from either their home or their workplace.

On-call firefighters are a vital part of our Service and community. They respond to a wide range of incidents, from fighting fires, attending road traffic collisions, animal rescues to supporting other emergency services. In addition to responding to emergency incidents, our on-call firefighters support their communities by providing information and advice on a range of community safety topics.

They receive an annual wage to reflect the time they commit to being available plus additional payments for attending incidents and drill nights (one evening a week for two hours).

It's a hugely rewarding role, and we hope to encourage members of the community from all backgrounds to get in touch and find out more about becoming an on-call firefighter.
